GRUPO 3i

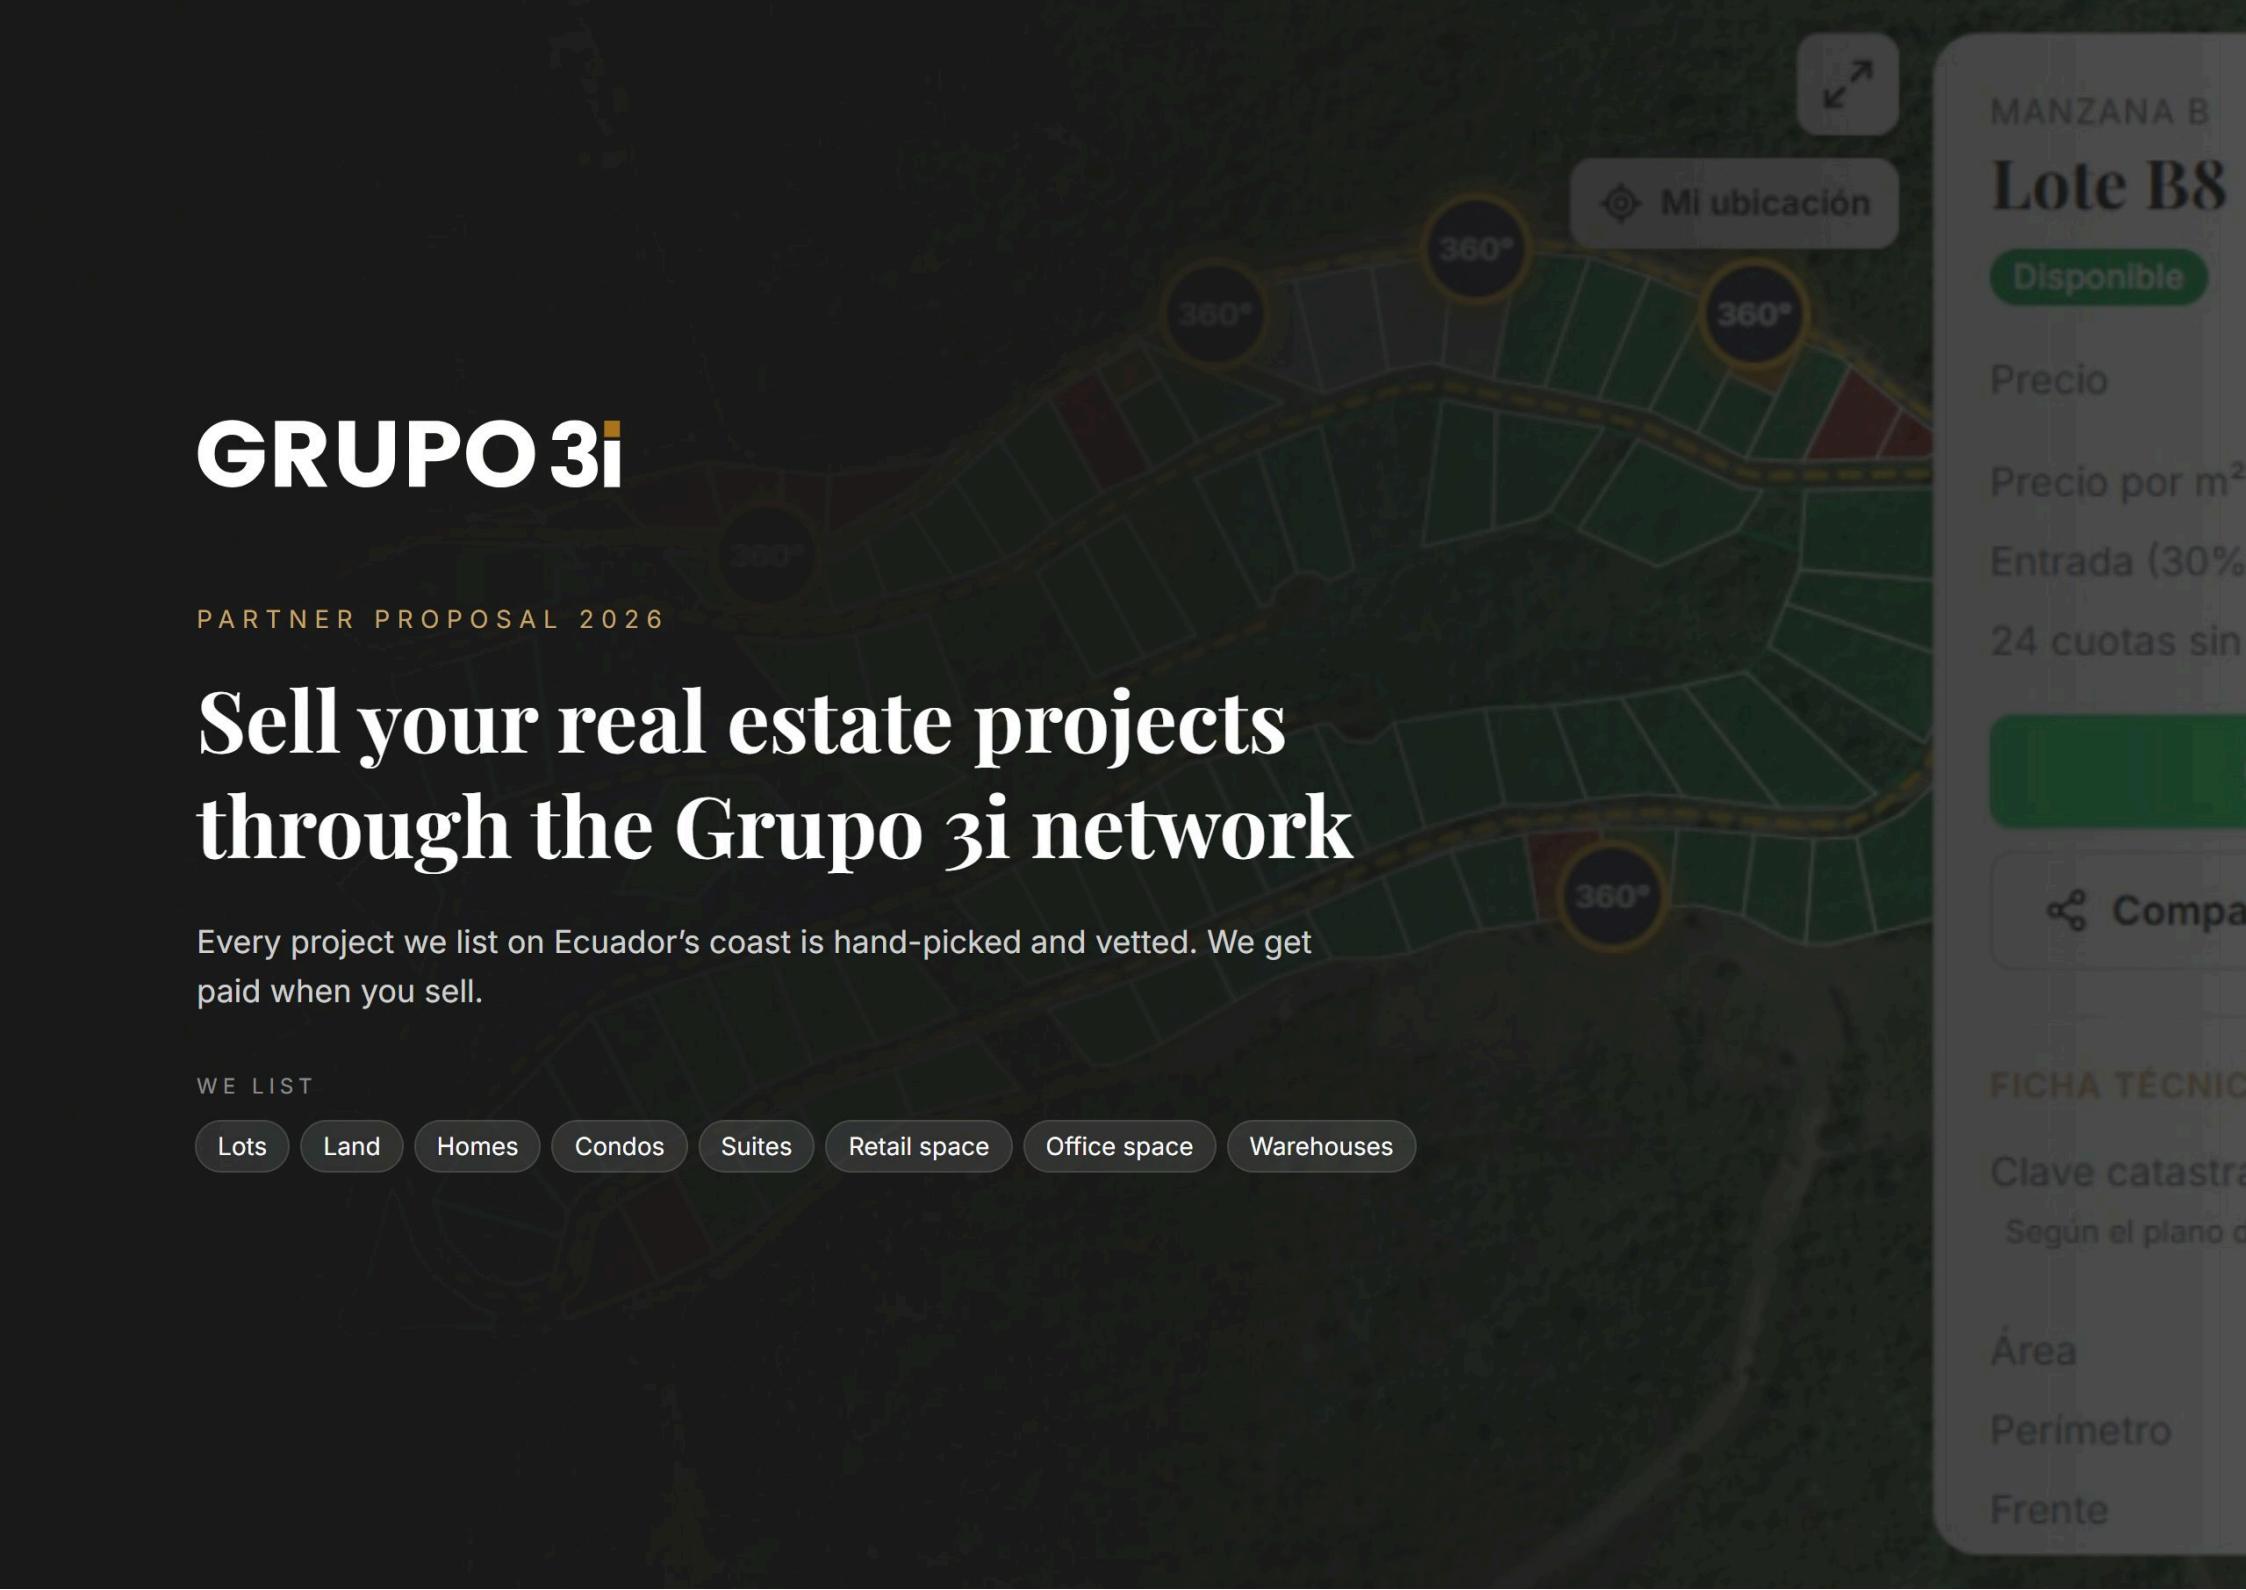

PARTNER PROPOSAL 2026

Sell your real estate projects through the Grupo 3i network

Every project we list on Ecuador's coast is hand-picked and vetted. We get paid when you sell.

WE LIST

Lots | Land | Homes | Condos | Suites | Retail space | Office space | Warehouses

ABOUT US

We develop, vet and sell real estate on Ecuador’s coast

We’re a real estate company with our own projects in Santa Elena. We built this platform to sell our own projects — and now we’re opening it to partner developers of lots, land, homes, condos, suites, retail and office space.

> **We’re not a listings site: we choose who we work with, vet every project and only earn a commission when you sell.**

112

LISTINGS SITES VS. GRUPO 3I

Listings sites charge you to be seen. We get paid when you sell.

	LISTINGS SITE	GRUPO 3I
How you pay	A monthly plan, sale or no sale	✓ A commission on each sale; extra services as agreed
If nothing sells	You still pay the plan	✓ No commission
Who markets your project	The site's search bar	✓ Our platform, our ad campaigns and our referral network
Your inventory	One listing per unit	✓ Your whole project with live availability — on an interactive map for lot and home developments
Buyer confidence	Nobody checks the paperwork	✓ "Verified by Grupo 3i" seal
International buyers	Little or no English	✓ Everything in English and Spanish
Lead follow-up	You're on your own	✓ Built-in CRM: every buyer goes straight to their agent's WhatsApp
Your own website	A link to the listing	✓ The interactive map on your site, under your brand

HOW IT WORKS

From signing to sale in five steps

1

Setup

We upload your inventory, plans, photos and 360° tours.

2

Verification

We review the title and permits, and your project earns the seal.

3

Launch

Your listing goes live in English and Spanish, with its map, and we promote it.

4

Leads

Every prospect lands in your agent's WhatsApp with their name and the unit they want.

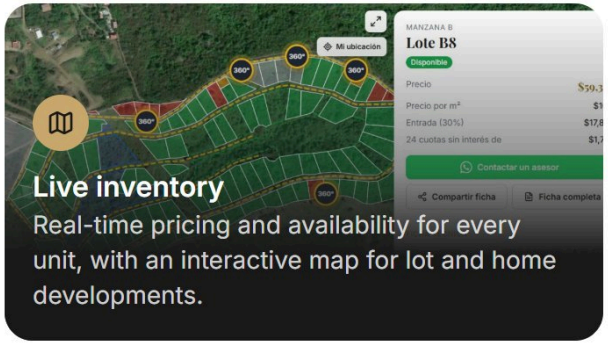

5

Sale

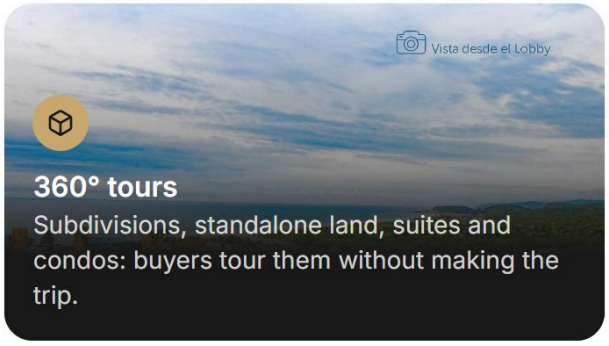

You pay the commission as your buyer pays you.

WHAT'S INCLUDED

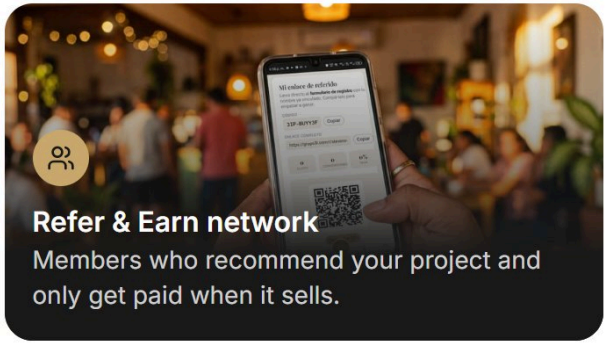

Everything your project needs to sell

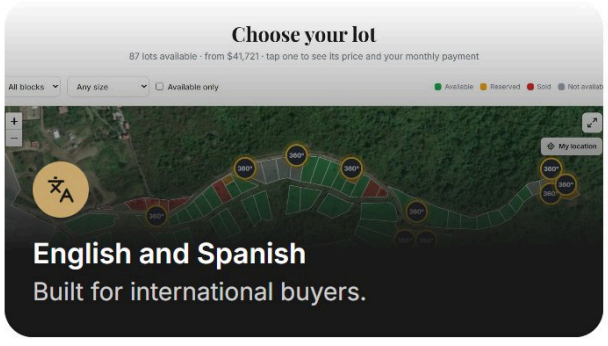

Live inventory
Real-time pricing and availability for every unit, with an interactive map for lot and home developments.

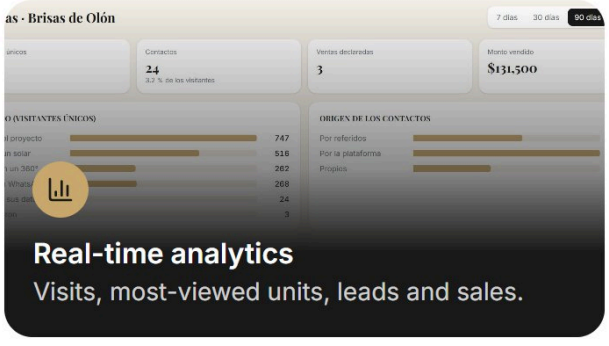

360° tours
Subdivisions, standalone land, suites and condos: buyers tour them without making the trip.

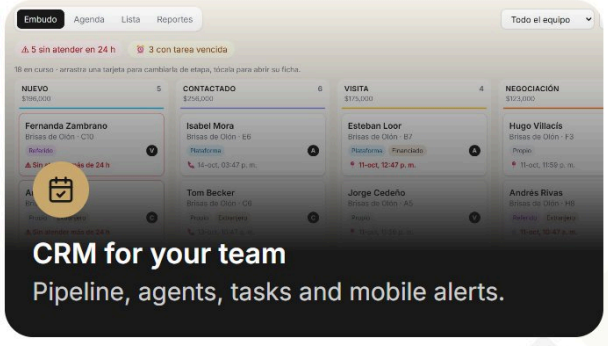

Refer & Earn network
Members who recommend your project and only get paid when it sells.

English and Spanish
Built for international buyers.

Real-time analytics
Visits, most-viewed units, leads and sales.

CRM for your team
Pipeline, agents, tasks and mobile alerts.

FULL-SERVICE SUPPORT

More than a listing: we're with you from start to finish

From surveying the land to selling the last unit — one team, and every step of the paperwork trackable online.

Land & surveying

- Topographic surveys
- Geo-referenced surveys
- Site plans and drawings
- Subdivisions

Permits & paperwork

- Purchase and sale advisory
- Notary and registry filings
- Municipal permits

Sales

- Listing and sales on our platform
- 360° tours of projects, land, suites and condos
- CRM and interactive map for your team

Marketing

- Landing pages
- Google, Meta and TikTok campaigns
- Video and drone production
- Graphic design

Project development

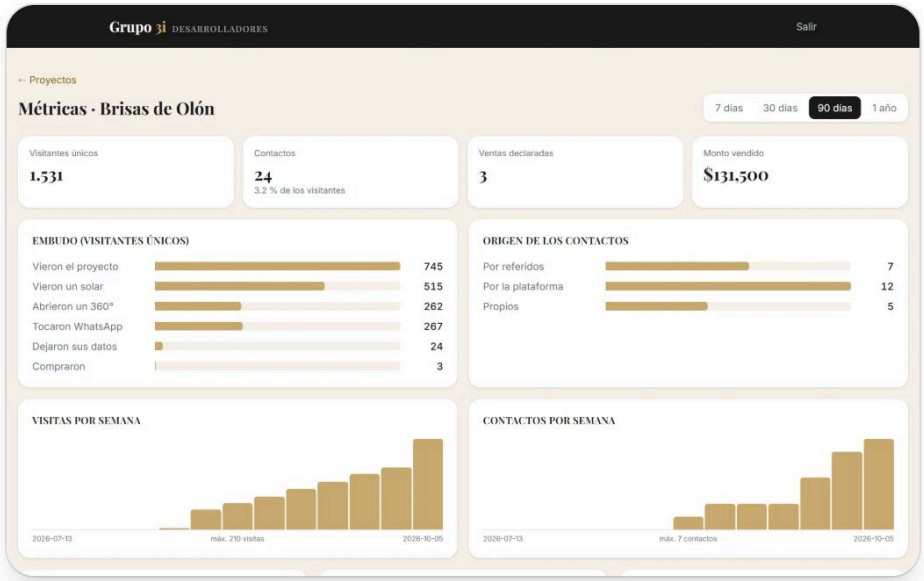

- Agritourism
- Residential projects
- Forestry projects
- Agriculture

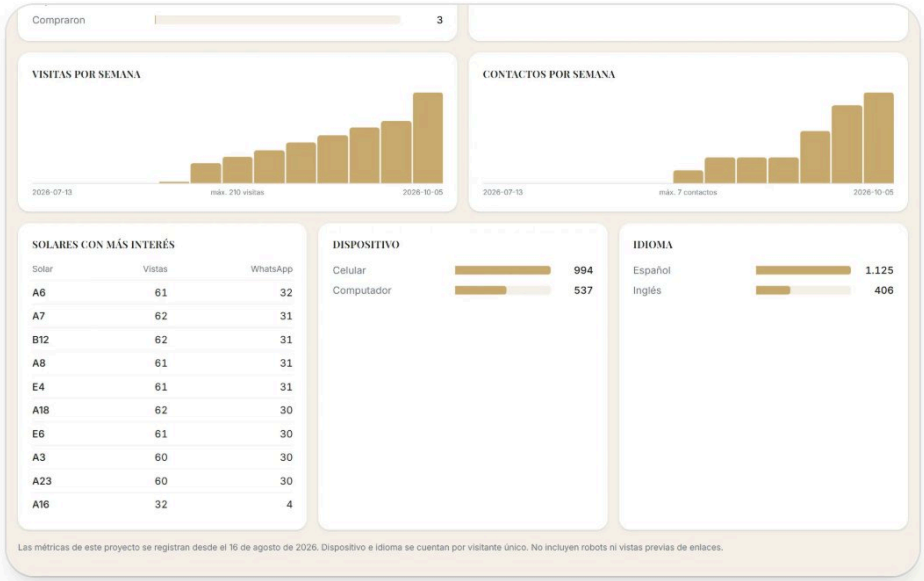

Each service is quoted privately. Book them together or one at a time.

YOUR DASHBOARD

See what's working, week by week

Real screenshots from the portal, using a demo developer's data.

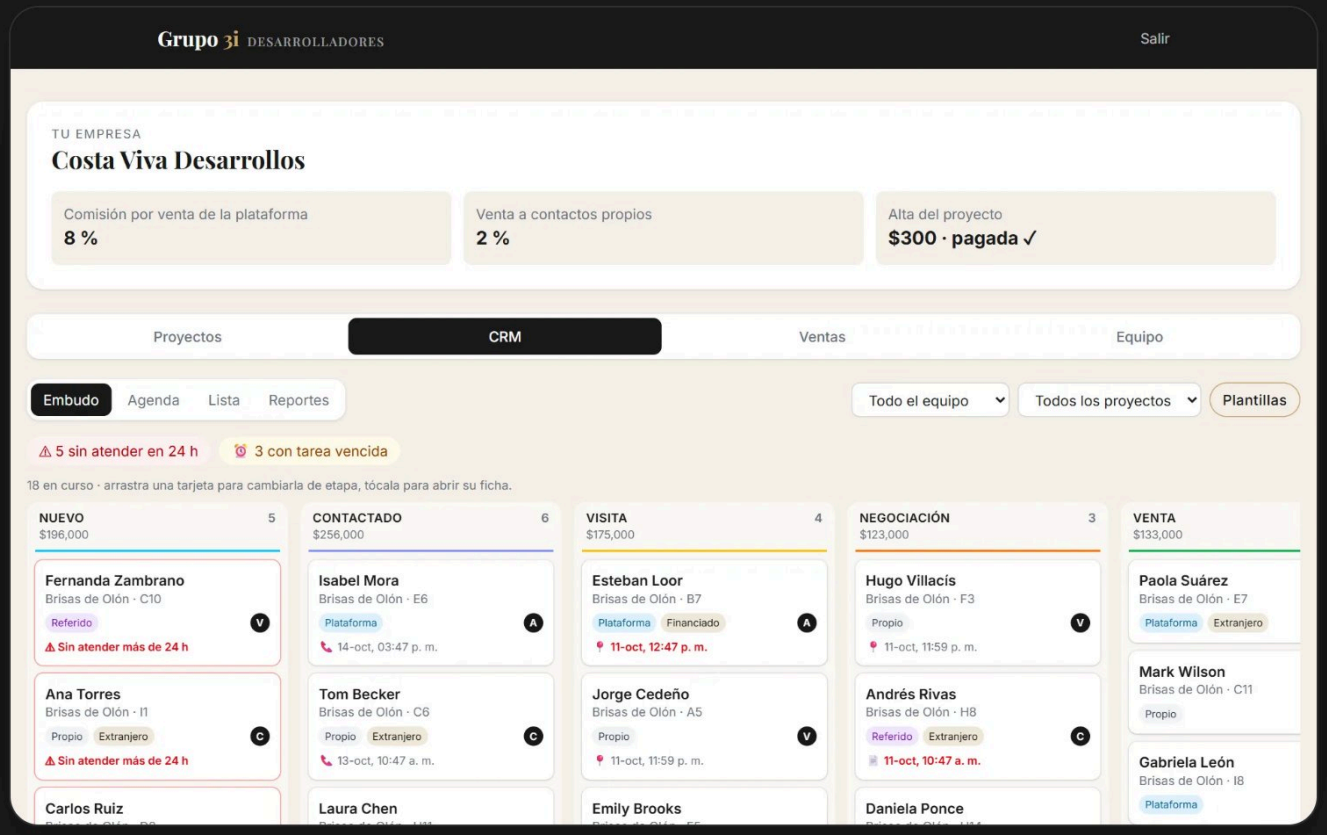

SALES CRM

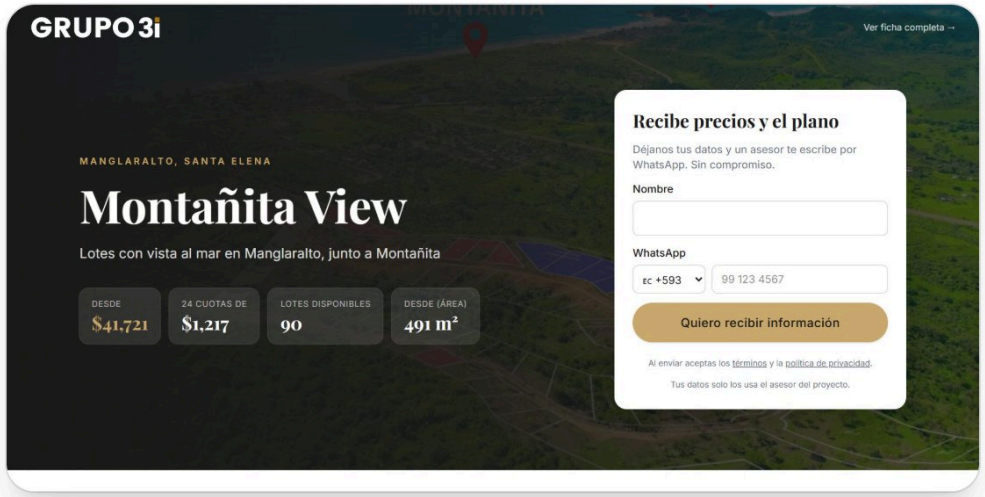

No lead slips through the cracks

Every lead drops into your pipeline and is assigned to an agent. From there you move it along, book the site visit and message them in one click.

- ✓ Automatic lead routing: each agent only sees their own clients
- ✓ Buyers share their details before the chat opens, then message their agent directly
- ✓ Mobile alerts for every new lead and upcoming task
- ✓ Tasks, a site-visit calendar and a full history for every client
- ✓ WhatsApp templates pre-filled with name, project and unit
- ✓ Reports on response time, conversion, lost-deal reasons, agent rankings and lead source

Available now, at no extra cost

LEAD GENERATION & ADS

Know which ad brought in every sale

- ✓ A landing page for each project, in English and Spanish, ready for your ads
- ✓ Buyers leave their name and WhatsApp before chatting, so no lead gets lost
- ✓ Connects with Google Ads, Meta (Facebook and Instagram) and TikTok
- ✓ Every lead keeps its source campaign, all the way to closing
- ✓ Your links show a photo, price and call to action when shared on WhatsApp and social media

TERMS

A proposal built around your project

Fit to your project

Subdivision, land, homes, condos or retail: every type of project gets its own terms.

Fit to the services

Pick only what you need: listing, CRM, map, 360° tours, ad campaigns, permits or surveying.

In private

We present our pricing in a meeting and in writing, with no fine print.

Optional · Map for your website

For lot and home developments: your interactive map under your logo, on your website or your own domain, CRM included.

Pricing is agreed in private. Homepage placement is available as an add-on.

CLEAR RULES

Transparent for both sides

Time-stamped leads

Every lead is logged with its date and source, and you can see it in your portal.

180-day window

If a buyer we brought in purchases within 180 days, the sale earns commission. After that, they're all yours.

Private documents

Only our legal team sees your title documents. The public only sees the seal.

No fine print

A one-year renewable agreement you can end with 30 days' notice.

NEXT STEP

Let’s talk about your project — it only takes 20 minutes
